

Dear Students,

Four years of high school will pass you by quickly. Whether you are a senior bringing closure to your final year in high school, a freshman embarking on a new journey, or a middle-classman preparing for a different challenge this year, I welcome you all to the commencement of the 2021-2022 school year at Waterford Union High School. The challenge ahead of you this year is to establish an academic focus for the remainder of your high school career. Maintaining a focus on performing at your best level every day will provide you opportunities long after leaving the brick and mortar establishment of WUHS.

All students should reflect on the past efforts placed on their academics. Ask yourself: was my performance a true reflection of my best abilities? If your answer to the question is, “yes”, then continue on your pathway reaching new heights. If your answer to the question is, “no”, then it is not too late to implement an academic focus. Participating in a culture of learning at Waterford continues to reinforce why you are attending one of the highest performing high schools in all of southern Wisconsin. The culture you have created explains why Waterford graduates are successful either in the workforce or in continuing education. Keep cultivating an environment which allows you to learn at your highest level no matter if the class is a core or elective in which you are enrolled.

Make sure you take full advantage of gaining a well-rounded education too. Fine arts, activities, and athletics enrich your high school experience. Register in a group either to enhance your individual talents and skills, or to begin a new adventure by trying something for the first time. You will not be disappointed in the choice you make if you put forth an effort. Another advantage to getting involved in school organizations is the chance to associate with other people...live and in person. Meetings, rehearsals, and field trips allow you not only to engage with peers holding a common interest, but also to interact with adults and guest speakers providing insight from another perspective.

The Waterford educational community will continue to provide you a safe learning environment full of opportunities for your future. Now is the time to take action and acquire the skills, knowledge and experiences which will prepare you to become successful and responsible adults. Work hard at all your academic and enrichment activities during the 2021-2022 school year at Waterford Union High School.

Educating students for life,

Daniel F. Foster  
Waterford Union High School - Principal

The student does not have to pay for the a postsecondary course if the school board determines the course may receive high school credit and the course is not comparable to a course offered in the school district. If approved by the school board, the student will receive both high school and postsecondary credit for a successfully completed course. The high school will grant a diploma to a student who has successfully completed high school graduation standards, regardless of whether the requirements were met at the high school or college. A maximum of 18 credits will be paid for by WUHS. Students who do not successfully complete the course with a passing grade (based on the college’s grading scale) will be required to reimburse WUHS the cost of the course.

Early College Credit is available to 9-12 grade students interested in taking classes at a 4-year University. Start College Now is available to 11-12 grade students interested in taking classes at a Wisconsin Technical School. To qualify for the program, a student must:

Notify the school board if the student is registered to attend a postsecondary course.

A parent or guardian is responsible for satisfactory student attendance and the student's compliance with the compulsory school attendance law.

## GRADING

Waterford Union High School utilizes a 4-point grading system. All classes, with the exception of advanced placement courses, carry the same weight when figuring out the grade point average. Students receive grade reports every quarter or nine weeks. The class rank is calculated once a semester, at the end of each semester. Students receive credit for classes at the end of each semester. Classes that meet daily receive .5 of a credit each semester.

Honor roll students are determined at the end of each semester. The minimum course load a student may carry to gain honor roll recognition is three credits each semester. There are two levels of the honor roll. (1) First honor roll is a student that has a grade point average of 3.5 – 4.0. (2) Second honor roll are students that have a grade point average between 3.00 – 3.49. Students with incompletes will not be considered for honor roll. Final class rank is based on all eight semesters.

A 1.667 GPA is required for student activity eligibility. This 1.667 GPA is based on the previous quarter's grades. The grading system for regular courses is:

A =	4.00	93 and above	D+ =	1.33	67 – 69.99
A- =	3.67	90 – 92.99	D =	1.00	63 – 66.99
B+ =	3.33	87 – 89.99	D- =	.67	60 – 62.99
B =	3.00	83 – 86.99	F =	0.00	Below 60
B- =	2.67	80 – 82.99	E =	0.00	Credit is given
C+ =	2.33	77 – 79.99			
C =	2.00	73 – 76.99			
C- =	1.67	70 – 72.99

Students will have the same counselor for all four years of attendance at Waterford Union High School.

School counselors at Waterford Union High School are available to work with students on a variety of issues concerning school and/or a student's personal life. Students are able to stop into the Student Services office to request an appointment with their counselor when needed. Students can also be referred to their counselor by teachers, parents, or friends. WUHS counselors are available to work through issues with students to ensure they are able to be successful in school. WUHS counselors will make community referrals to parents for students who may require more support than is available during the school day.

Addiction and abuse of alcohol/drugs will prevent the attainment of goals and student success. Waterford Union High School will attempt to help any person who seeks assistance in this area. Students who feel they have a problem with alcohol or other drugs are encouraged to seek the assistance of a school counselor. All inquiries are kept confidential.

WUHS School counselors follow a comprehensive school counseling model that includes Academic Career Planning activities at each grade level to help students explore abilities, aptitudes, interests and beliefs to equate these to career choices and post-secondary options. In addition, students will take a brief career interest survey each fall. Students will be exposed during the school year to a variety of information on careers in multiple formats. Career panels, video presentations, career speakers are just a few of the options students will have to learn more about a variety of career and career pathway options.

During freshman year, you will explore curriculum and its importance in preparing you for technical college, four-year college, apprenticeships or the military. In class you will begin composing an individual learning plan of study with your goal for after high school in mind. This individual learning plan will be completed in an individual conference with your school counselor.

In spring of your sophomore year you will take time to work through assessments available to you on Career Cruising. During this unit; you will look at your interests and values as they pertain to the world of work. Using career pathways, you will explore career options and the education and training needed to pursue your interests.

In junior year, the classroom unit will be designed to give in-depth information on four-year colleges, technical colleges, apprenticeship programs and military. You will likewise be given the opportunity to use Career Cruising to help pick out suitable post-secondary choices. Later in the school year students and parents, will meet with a counselor to discuss individual strengths and weaknesses, career plans and post-secondary options. In addition, a field trip to the Wisconsin Education Fair will be available.

In senior year, students will be called to Student Services in early fall for an individual conference with a counselor to finalize future plans. A workshop for seniors will also be held on the topic of scholarships, and all eligible seniors will receive regular scholarship bulletins. The Student Services webpage offers an updated scholarship page with descriptions and links to scholarship opportunities available for all students.

Preparatory aptitude tests will also be offered during freshman, sophomore and junior year. During your freshman year you will take an ACT Aspire test in the fall and spring to gauge your readiness for career and college. During your sophomore year you will take the FORWARD and ACT Aspire exams in the spring. In October of your junior year you will be given the opportunity to take the PSAT test. The preliminary SAT give student a glimpse of what they could expect form the SAT test and may qualify students for National Merit Scholarships based on their overall score. Then in the spring of your junior year all students will take the ACT, the ACT is a national test which indicates readiness for college level course work.

Information on these topics and many more can be found on the student services website – a link can be found at the top of the WUHS main page.

To make an appointment simply stop in Student Services before school, after school, or between classes to get a pass from a counselor, social worker, or the student services secretary. No problem is too big or too small.

## **STUDENT ASSISTANCE PROGRAM**

The Student Assistance Program (SAP) is available for students attending Waterford Union High School who are experiencing difficulty in their lives that cannot be addressed through the curriculum. SAP is one way that our school addresses these challenges. Our goal is to help students deal with issues related to chemical depend-

ency and its effects, grief and loss, stress and relationship issues in a positive and constructive manner. Participation in the Student Assistance Program is strictly confidential and voluntary. Parents will not be notified if their student enrolls in a support group. Any parent who does not want their child to be involved should contact Student Services and ask to speak with the Student Assistance Program coordinator. The Student Assistance Program does not supersede district discipline policies or legal responsibilities.

1. All course changes must be completed before the end of the first two weeks of a semester.

## ATTENDANCE

Regular school attendance is an essential requirement for academic success in high school. Students cannot succeed and be successful in high school with poor school attendance. Time is the most important resource a school has and students cannot learn if they are not in school. School attendance is taken each hour of the school day and becomes part of the permanent record and is included on transcripts. All students, including eighteen and nineteen year olds, are expected to comply with school attendance policies.

The School Board considers the following factors to be reasonable excuses for time missed at school:

1. Illness
2. Recovery from accident
3. Required court attendance
4. Professional appointments
5. Death in immediate family
6. Observation or celebration of a bonafide religious holiday
7. Suspensions from school
8. Such other good causes as may be acceptable to the District Administrator – Board Policy 5200

## **Number of Absences per Year**

State law and School Board policy allows parents/guardians to excuse 10 absences per school year. Documented medical appointments, required court appearances, family funerals and pre-excused absences do not count against a student's 10 day parent-excused limit. If a student exceeds 10 parent-excused days, a meeting with the Associate Principal will be scheduled and all further absences would require documentation supporting the reason of absence to avoid truancy consequences.

## **Procedure for Parents to Report Student Absences**

In the case of a student absence, parents are required to call the WUHS Attendance Office at 844-408-1679 and give the name of the student, the reason for the absence, and if possible, an indication of the length of the absence. This procedure must be repeated each day of the absence. If calling to report a student absence during non-school hours, parents may utilize the 24-hour attendance recording service by calling 844-408-1679. If a phone call is not received to report the absence within 24 hours, it is interpreted that the student is not excused from school and should be considered truant.

## **Excusing Students During the School Day**

Parents/Guardians are asked to try to schedule appointments outside of the regular school day. If an appointment is unavoidable and a student needs to leave the building during the school day, a parent/guardian must be contacted and their permission must be granted in order to release the student. Students leaving during the school day should bring a written note from their parent/guardian to the Attendance Office at the beginning of the day which gives the time and reason for the early release. After receiving permission, students must check-out in the Attendance Office prior to leaving. Failure to check-out or leaving the building without permission will result in a Saturday detention.

## **Students Arriving Late to School**

Students who arrive to school more than 10 minutes late are considered absent for the class period. At the beginning of the day, any student who arrives to school at 7:35 am or later must check in at the Attendance Office and obtain parent/guardian permission to excuse the absence. After 7:35 am, all doors will be locked except Door 1, which is located off West Main Street on the northwest side of the building.

## **Pre-Excused Absences**

Wisconsin State Statute §118.15 allows parents/guardians to pre-excuse their child for up to ten (10) days during the school year. Absences typically falling into this category may include discretionary absences known in advance such as family vacations/travel, weddings, and hunting. It is the responsibility of parents to determine which experiences shall supersede attendance at school, understanding that every time a student misses a class he/she is placed in a less advantageous position to meet the objectives of the lesson. In order for students to qualify for this type of absence, a pre-arranged absence form must be filled out and submitted to the Attendance Office at least 48 hours in advance of the absence. This two-day period is in place so that (1) parents are allowed an opportunity to make a written request for the absence; (2) teachers are informed of the absence so they can discuss lessons that will be missed along with upcoming tests/quizzes; and (3) the office is able to keep accurate records of student attendance.

When a pre-arranged excuse is sought, students can pick up the required form in the Attendance Office or by clicking here. A parent/guardian signature is required on the form, as well as the dates and reason for absence, along with signatures from the student's teachers and the Associate Principal. The form allows for teachers to communicate with students the coursework that is to be completed before, during and after the absence. Students are responsible for completing any coursework assigned to them during this absence.

## **Co-Curricular Participation Post High School Exploration**

Students are required to be in school all day in order to participate in co-curricular athletics/activities after school unless granted pre-approval by the Athletic/Activities Director. Full guidelines can be found in the Co-Curricular Code.

## **Post High School Exploration**

Junior and senior students are permitted two (2) post-high school exploration visits per school year, provided appropriate documentation of the visit is submitted to the Attendance Office. Students may use this option for college visits, meetings with military recruiters, or job-shadowing opportunities. The required form is available in the Attendance Office or on the WUHS website by clicking here. The absences will be considered a College Visit (CV) for attendance purposes and will not count against a student's attendance limit for exam exemptions. Students must submit the completed form to the Attendance Office within two days of returning to school.

## **Field Trips and other School-Sponsored Activities**

Field Trips and School-Sponsored activities are considered extensions of the classroom and therefore students

are not considered absent from school when their attendance is marked as School-Sponsored (SS) or when they are on a Field Trip (FT). These activities may include release time for when a school-sponsored club or athletic team needs to leave school for a competition or other activity that requires them to miss part/all of the day. School-Sponsored release time and field trips are cleared in advance by the Athletic-Activities Office or other school administration. If an activity or field trip were to return before the end of the school day, students would be required to return to their regularly scheduled classes for the remainder of the day.

While on the field trip, students are held to the same rules and expectations as outlined in the student handbook. Students may be denied for a Field Trip if they do not satisfactorily comply with the pre-trip requirements. Any teacher or administrator may deny a student permission to attend a field trip for one or more of the following reasons:

1. Excessive absences
2. Missing work / overall academic performance
3. Behavioral concerns

### **MAKE-UP TIME FOR WORK MISSED**

1. As a minimum standard for every day a student is excused absent, he/she will be allowed to have a day to make up missed work.
2. Students who miss class due to a field trip are responsible for the schoolwork of that given day.
3. Parents may request homework for students who are absent from school for two or more consecutive days. When requesting homework, parents should call the attendance office prior to 9:30 A.M. to request that assignments be gathered for their student. Students who are absent due to illness for an extended period of time (more than five consecutive days) will need a doctor's excuse. Students are also encouraged to check their teacher's webpage to access assignments and materials during an absence.

### **TRUANCY**

Waterford Union High School considers a student to be truant who is absent without valid cause for a school day or any portion thereof, as defined in Section 118 of the Wisconsin School Code. Students who are truant for a school day or any portion thereof are subject to the following:

**First Offense:** No credit for class(es), conference with student, parent notification. One (1) hour after-school detention will be assigned. If student fails to serve after-school detention, student will be assigned Saturday detention (2.5 hours) in place of one hour after-school detention.

If student fails to serve Saturday detention, student will be placed in In-School-Suspension (ISS) the following school day. After serving full day of ISS, the Saturday detention will be considered served.

**Second Offense:** No credit for class(es), conference with student, parent notification. Saturday detention (2.5 hours) will be assigned. If student fails to serve Saturday detention, student will be placed in In-School-Suspension (ISS) the following school day. After serving full day of ISS, the Saturday detention will be considered served.

**Third and Subsequent Offenses:** Referral to the Village of Waterford Police Department for municipal truancy citation per village ordinance and Wisconsin Compulsory School Attendance Law (118.15).

### **DISCIPLINE PBIS**

Positive Behavior Intervention Support

The goal of PBIS (Positive Behavioral Interventions and Supports) is to improve the behavioral and academic performance and decrease the negative and unacceptable behavior at Waterford Union High School and beyond. The three "Be" statements: "Be Prepared," "Be Responsible," and "Be Respectful" are the key behavioral components of PBIS. The intent behind PBIS is that we all work together, with the same understanding of clearly defined behaviors and expectations to support and reward those positive behaviors among all individuals at WUHS (students, staff, parents, etc.)

## **BULLYING AND HARASSMENT**

Everyone has a right to work and learn in a positive and safe school environment. This right is supported by the Board of Education and by both local and state ordinances (Harassment Ordinance 9.085 (3) & Wisconsin Statutes Ss120.131(1)(c). Therefore the school will not tolerate any behavior that interferes with a student's or staff member's well-being or that creates an intimidating, hostile or offensive school environment. Examples of

such behaviors include, but are not limited to:

- Physical aggression such as hitting, kicking, spitting, pushing, taking and/or damaging personal belongings
- Making threats of physical aggression
- Making comments that are degrading, involve slurs, or involve negative stereotypes
- Making comments that involve taunting, malicious teasing, or name calling
- Unwelcome sexual comments or contact
- Cyber bullying, including the use of the internet or cell phones to post slurs, rumors, disparaging remarks or threats about a student or staff member. This includes postings that take place outside of school if the posting affects a student's or staff member's emotional or physical well-being at school.

Students who witness or are victims of harassment or bullying by anyone at school are advised to discuss the situation with the school's associate principal or guidance counselor. They can also report the situation using the "Safe School Form" found on the school's website. Staff members who are victims should bring the matter to the administration.

Whenever a report is made about bullying or harassment, the matter will be investigated. In this process, students will not be required to attend a face-to-face meeting with the individual(s) involved in the bullying or harassment. At the completion of the investigation, a decision will be made regarding the need for a consequence. The consequence could include any one or a combination of the following: parent notification, parent conference, recording the incident in student's file, suspension, referral to law enforcement and possible recommendation for expulsion.

## **DRESS CODE**

Dress and grooming are important because the way people dress tends to reflect the way they think about themselves. WUHS holds to the ideal that, while here, students should be in an environment of respect and high social expectations. As such, some behaviors or modes of attire acceptable in other situations are not appropriate for the school environment. Specific guidelines governing student attire during the school year are as follows:

- Writing or pictures on clothing/jewelry that includes, but is not limited to the promotion/ advertisement of drugs, alcohol, tobacco, obscenities, double meanings, sexual innuendoes, weapons, violence, culturally insensitive materials or hate symbols, including the Confederate flag, will not be permitted on school premises.
- Wearing of hats, hoods, or bandanas is prohibited during the school day. Hats must be removed upon entering the building, remain off and in lockers until 3:00 or dismissal bell.
- Jackets and coats (attire that is considered outer wear) may not be worn during the school day.
- Chains and spike collars may not be worn during the school day.
- No exposed undergarments or see-through/mesh/shear material.
- Pajamas and blankets are considered as inappropriate attire for the school environment.
- Pant waistline must be secured above the hipline on individual.
- Shorts must be an appropriate length with a minimum 3" inseam
- Skirts must be longer than the fingertips when arms are extended at sides in a standing position.
- Tears or rips must be below fingertips when arms are extended at sides while standing.
- Students wearing tops that are too revealing or shorts/skirts that are too short (micros) will be expected to change into school-appropriate attire. Any skin showing on the shoulders, back, or midriff area is deemed unacceptable.
- Sleeveless tops are permitted but strap must be at least the material width of 2" (width of student ID card). Spaghetti straps, halter tops, tube tops, bare midriffs, loose fitting tank tops or clothing that is too revealing are not acceptable.
- Backpacks and large purses must fit under student desks.
- Shoes may not have a fabric or cloth sole. By law, shoes must be worn in the building at all times.
- Appropriate attire is expected at all school events.

**The dress regulations highlighted are general guidelines. The school administration reserves the right to**

**make a final decision on appropriate dress and include other restrictions or prohibit other items of clothing specifically mentioned above to provide a safe, positive learning environment. On judgements of appropriateness, WUHS will error on the side of modesty.**

**Infractions of the WUHS dress code will lead to the following consequences:**

1. Log entry and student will be given the option of changing, reversing, or calling home for alternative clothing. Student may be sent to the office.
2. If second infraction occurs on the same day the student will be sent to the office. A second log entry will be made, parents will be contacted. Item will be removed/changed when appropriate, parent will be notified, and item will be returned to parent/guardian. Student will be issued a Saturday detention for Insubordination.
3. If a second dress code infraction occurs on another date, an after school detention may be issued.
4. Third offense for repeated clothing violations, results in a Saturday detention and parent meeting.
5. Additional violations will result in additional disciplinary action to include suspension.

## **PROGRESSIVE DISCIPLINE PLAN**

In the event that a student's conduct warrants serious consideration, the following discipline steps will be followed. In the case of a major offense which endangers the health or safety of the students or staff, the administration may move ahead to any one of the following steps of the discipline plan, up to and including expulsion.

**Step One** The student is suspended for up to five (5) days. A verbal and written warning will be given to the student and a conference with the parents and Associate Principal will be held. A letter will also be sent to the parent/guardian and notification will be given to the guidance personnel. The student and/or the parent/guardian have the right to appeal the suspension.

**Step Two (Principal's Hearing)** The procedure, as identified in Step 1, shall be followed. The suspension shall be for a maximum of five (5) days. The student may be placed on probation and be given written conditions for his/her continued enrollment in school. The parent/guardian and guidance personnel shall also be notified. A conference with the Principal, Associate Principal, the parent/guardian, and the student will be required before the student may return to school.

**Step Three (Superintendent's Hearing)** The procedure as identified in Steps 1 and 2 above shall be followed. The suspension shall be for a maximum of five (5) days. A conference with the Superintendent, Principal, Associate Principal, the parent/guardian, and the student will be required before the student may return to school. Guidance personnel will also be notified.

**Step Four (Expulsion Hearing)** If the student's behavior does not improve or should additional violations be evident which reflect a continued pattern of negative behavior, consideration of a recommendation for the expulsion of the student shall be determined by the Superintendent. The suspension shall be for the maximum of fifteen (15) days. If the student is an EEN student, the suspension shall be for a maximum of ten (10) days. A complete written summation of all documentation relevant to the case shall be supplied to the Superintendent.

If accord is reached to recommend expulsion, a formal hearing shall be convened with the Board of Education to determine disposition of the case. All legal requirements for expulsion shall be followed as provided by statute. The length of the expulsion shall be determined by the Board of Education "WI Stats. 120:13(5)(c)(1)and(2) 'The school board may expel a pupil from school whenever it finds the pupil guilty of repeated refusal or neglect to obey the rules, or finds that a pupil knowingly conveyed or caused to be conveyed any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives, or finds that the pupil engaged in conduct while at school or while under the supervision of a school authority which endangered the property, health or safety of others, or finds that a pupil while not at school or while not under the supervision of a school authority engaged in conduct which endangered the property, health or safety of others at school or under the supervision of a school authority or endangered the property, health or safety of any employee or school board member of the school district in which the pupil is enrolled, and is satisfied that the interest of the school demands the pupil's expulsion. In this subdivision, conduct that endangers a person or property includes making a threat to the health or safety of a person or making a threat to damage property. In addition to the grounds for expulsion under subd. 1., the school board may expel from school a pupil who is at least 16 years old if the school board finds that the pupil repeatedly engaged in conduct while at school or while under the supervision of a school authority that disrupted the ability of school authorities to maintain order or an educational

atmosphere at school or at an activity supervised by a school authority and that such conduct does not constitute grounds for expulsion under subd. 1., and is satisfied that the interest of the school demands the pupil's expulsion.”

## **DISRUPTIVE BEHAVIOR LEADING TO CLASSROOM DISMISSAL OR REMOVAL FROM THE CLASS**

Students in the Waterford Union High School District shall be expected to conduct themselves in a manner that is not contrary to the best interests of the other students and the school. Students will not be permitted to disrupt the educational rights and privileges of other students.

Teachers have the responsibility of establishing classroom rules that will create an atmosphere conducive to teaching and learning. Teachers will prepare and distribute a written Code of Conduct for their classroom.

## **ELECTRONIC DEVICES**

Students seeking to utilize personal devices at school must adhere to acceptable use agreement as outlined on school website.

There are specific guidelines for appropriate use of electronic devices. Inappropriate use of electronic devices including, but not limited to headphones, iPads, iPods, phones, tablets or peripherals will result in:

1st incident- confiscated, warning and parent signature and pickup

2nd incident-confiscated, 1 hour detention, parent signature required & pick up after detention served

3rd incident-confiscated, 2.5 hour detention, parent signature required & pick up after detention served

4th incident- confiscated, administrative meeting for repeated refusal to follow school guidelines

5th incident- confiscated, ISS for repeated refusal to follow school guidelines, parent signature required & pick up after ISS completed

\* 2nd incident is a behavioral referral eliminating the behavioral expectations to qualify for exam exemption at the end of the semester.

## **OFF-CAMPUS CONDUCT**

“Under WI Ss 120.13(1)(c), I related to conduct which occurs under the supervision of school authority, and conduct which occurs off school premises, but nonetheless endangers others at school. Students who use school “connections” with other students to enter agreements on school grounds for the purchase of drugs, even though the actual exchanges subsequently occurred off school grounds are subject to school discipline.”

## **OFFENSES THAT REQUIRE INVESTIGATION**

On occasion, it will be necessary to carefully investigate situations that occur in a high school atmosphere. Students will be questioned about such incidents whether directly or indirectly involved. It is expected that when an administrator questions a student, he/she will cooperate in a manner advantageous to the school climate and culture. Failure to cooperate could lead to disciplinary action by the school.

## **SEARCH AND SEIZURE**

School authorities have the responsibility of safeguarding the safety and well-being of the students in their care. The Board recognizes that the privacy of students or his/her belongings may not be violated by unreasonable search and seizure and directs that no student be searched without reasonable suspicion that the search will turn up evidence that the student has violated or is violating either a particular law or a particular rule of the school. Any search under this paragraph must be reasonable in scope and reasonable in the manner in which it is conducted. The extent of the search will be governed by the seriousness of the suspected infraction, the student's age and gender, the student's disciplinary history, and any other relevant circumstances or information.

## **LAW ENFORCEMENT REFERRALS**

1. Fighting will result in a referral to law enforcement and the student(s) will also be suspended. If the behavior is severe, an associate principal, principal, superintendent or expulsion hearing could be held.
2. Smoking or possession of tobacco or vaping materials on school property is forbidden and violators will be referred to law enforcement.

3. The use of chemical spray, bomb threats, and fireworks requires referral to law enforcement and the student will be suspended. If the behavior is severe, an associate principal, principal, superintendent or expulsion hearing could be held.
4. The use of vulgar language and swearing at faculty members, or threatening a staff member will result in referral to law enforcement. The student will also be suspended. If the behavior is severe, an associate principal, principal, superintendent or expulsion hearing could be held.
5. The possession, distribution, solicitation or use of alcohol, drugs, and controlled substances requires referral to law enforcement and the student will also be suspended. An associate principal, principal, superintendent or expulsion hearing could be held.
6. Theft of materials, which belong to the school, staff members, or to another student, will result in suspension.
7. Tampering with fire alarms requires referral to law enforcement. The student will also be suspended.
8. Any student who possesses a firearm in a school zone will be immediately suspended. A referral to law enforcement will result and an expulsion hearing will be recommended.
9. Any student at WHS who is caught stealing or vandalizing property will be referred to the administration, may be dropped from the class with a failing grade, and may be referred to the Racine County Sheriff's Department for law enforcement action.
10. Any Student possessing a weapon, facsimile weapon, or object used to cause harm to another may result in suspension, recommendation for expulsion and/or law enforcement referral.

## **OUT OF SCHOOL SUSPENSIONS**

A student who is issued an Out-of-School Suspension will be permitted to make up all missed work within a reasonable period of time. Assignments, where required, are to be made up and submitted to the teacher. Before a student is sent home suspended out of school, parent contact will be made by school authorities.

Until the suspended student is reinstated, he/she is not to be on school grounds or attend school-sponsored events. If discovered on school grounds, the student will be considered trespassing and referred to law enforcement.

## **TARDINESS**

Other than its students, the most precious resource a school has is time. Waterford Union High School has 60 minute class periods and students are expected to be to class on time. Timeliness is a trait that is carried into life and students who are tardy to class will continue that trait in the future with severe consequences. Waterford Union High School will take a strong stance on students arriving to class on time. Students must be in their classrooms when the bell rings or they will be considered tardy.

Missing the bus, oversleeping, having a car that will not start are not excusable tardies according to School Board policy. Continued tardiness is poor planning and generally indicates a negative attitude toward school. Repeated tardiness will require disciplinary action that could lead to suspension.

Parents are permitted to excuse a student late to school during 1st hour up to two times over the course of the school year for a reason that is out of their control. A third tardy is not excusable and will be subject to school discipline.

### **STUDENTS WHO ARE TARDY FOR CLASS**

Tardiness to class interrupts the learning process that takes place in a classroom; therefore tardiness is considered disruptive behavior.

1. If less than 10 minutes late to class, teacher will follow tardy steps listed below. If more than 10 minutes late to class, student will be considered absent.
 

Tardy # 1	Individual verbal warning
Tardy # 2	15-minute detention
Tardy # 3	30-Minute detention and phone call home
Tardy # 4	Office referral- Associate Principal contacts parent, 30-minute detention with teacher

Tardy # 5	Student not admitted to class-sent to office until he/she meets with Associate Principal, Saturday detention
Tardy # 6	Student not admitted to class, sent to office until he/she meets with Associate Principal, in school suspension
Tardy # 7	Student not admitted to class, sent to office until he/she meets with Associate Principal out of school suspension
Tardy # 8	Principal hearing that could result in a “WF” from the class This process begins new at semester.

## **DETENTIONS**

Detentions are held after school in the main office 3:00 P.M. to 4:00 P.M. They will also be held on Saturday mornings from 8:00 A.M. to 10:30 A.M. Students are expected to bring study materials to detention and will study for the entire period.

## **FAILURE TO SERVE DETENTIONS**

### **STUDENTS WHO FAIL TO SERVE AN AFTER SCHOOL DETENTION**

1. *Missing a detention will result in a Saturday detention.*
2. *Parent will be notified of Saturday detention.*

### **STUDENTS WHO FAIL TO SERVE A SATURDAY DETENTION**

1. *Missing a Saturday detention will result in an In-School Suspension.*
2. *Parent will be notified of In-School Suspension.*

### **DETENTION GUIDELINES**

3. There is no talking, visiting, or note passing or use of electronic devices during detention without permission.
4. Students who have outstanding detentions will not be eligible for field trips, games, contests, plays, etc.
5. There should be few reasons for students to be assigned a detention. Students are expected to be to class on time, show respect for each other and for authority, and exhibit proper citizenship in high school.
6. Students who are dismissed from detention because of behavior will receive no credit for serving the first time. The second time an additional detention will be added. The third time will result in suspension.

### **TEACHER ISSUED DETENTIONS**

Teacher issued detentions carry the same weight as a detention issued by the office of the Principal. Students who refuse to serve will have one detention added. Teachers will contact the parent when a student misses a detention with them.

## **IN-SCHOOL SUSPENSION**

In-school suspension is for students who have repeated violations with school rules, *failure to serve a Saturday detention* and for students with severe school violations. The Dean of Students is in charge of the program. Even though students are removed from the social aspects of their school day, they are still entitled access to and expected to complete their academic work.

Students who are assigned to in-school suspension will be there for the full day, in most cases. A teacher will supervise them each period.

Students may be put in the in school suspension room for various reasons.

1. Students who fail to serve Saturday detentions.
2. Students who habitually choose to be tardy.

3. Students sent out of class for behavior problems.
4. Students who are suspended out of school and whose parents cannot be reached at home or work. (Remainder of that school day or until parents transport student out of school for home suspension).
5. Students who are insubordinate to staff and others (language, refusal to follow a direct request, etc.).

Students assigned to in-school suspension are expected to bring study materials and are expected to study the entire day.

*Students are limited to three (3) in-school suspensions per semester. Once a student accumulates three (3) in-school suspensions, a parent conference will occur. If a student receives a fourth (4) in-school placement, the student will be suspended out-of-school for one day. If a student fails to serve additional Saturday detentions or in-school suspensions, parent conferences and out-of-school suspensions will be imposed.*

### **IN SCHOOL SUSPENSION GUIDELINES**

1. Students will bring all books and study materials to the room.
2. No eating except at lunchtime. Students will be escorted to the lunchroom and back.

5. Conversing with other students or causing a distraction that affects others may result in an additional ISS or removal.
6. Students may ask for academic help from any of the various supervisors.
7. No use of cell phone will be permitted.
8. No sleeping.
9. Students assigned to the room must adhere to all of the above rules. Penalties for failure to comply will range from added time in the room to suspension from school. Serious repeated violations will result in a recommendation of expulsion.

Policy 5771 indicates a hall locker is assigned to each student. School lockers are the property of Waterford Union High School and the school retains the right to regulate the use of lockers by students. The following regulations apply to all school lockers that may be assigned to students throughout the building.

Each student will be assigned a hall and gym locker. Students participating in athletics will be assigned athletic lockers.
